Antonios Ntokos

Professional Experience

❖ Frontend Developer Junior

Impact (SoftOne Technologies S.A. & Entersoft) , Athens · Full-time · Jan 2024 – Present

Project: *E-Invoicing System*, R&D

- Designed, developed, and maintained responsive web templates using **HTML**, **CSS**, **CSHTML**, and **C#**, ensuring cross-browser compatibility and performance optimization.
- Collaborated in an **Agile** development team, participating in **daily stand-ups**, **sprint planning**, and **retrospectives** to align with project objectives.
- Managed and resolved developer tickets efficiently, contributing to consistent delivery of new features and bug fixes.
- Led the deployment process of web templates, coordinating the transition from development to production environments with minimal downtime.
- Performed comprehensive testing and debugging of web templates to meet quality assurance benchmarks.
- Contributed to the ongoing development of the redesign of **Impacts – Invoicing** portal, enhancing user experience through responsive design and front-end improvements.
- Managing large-scale e-Invoicing projects
- Utilized **Git** and **GitHub** for version control and collaborative development workflows.

❖ ERP Consultant

SoftOne Technologies S.A., Athens · Full-time · Oct 2022 – Jan 2024

- Designed and implemented tailored ERP solutions based on client needs
- Supported e-invoicing processes and compliance via **myData** (B2B & B2G)
- Collaborated with R&D to report bugs and improve product functionality
- Deployed and configured **S1 WMS**, including cloud agent and user setup
- Resolved technical issues, including **SQL Server** backups and restores
- Provided training, onboarding, and support to partners and clients

- Attended industry trainings to stay updated on ERP and SaaS trends

❖ Military Service

Greek Army – Chios Island · Nov 2021 – Aug 2022

Completed mandatory national service with focus on discipline and teamwork.

❖ Retail Services
